To told mommy all kinds and well me skupping who wierd tales and don't get eaught skupping of Just keed and don't get a aught skupping of Just 1 Swindell BUNGET

Here are my long-time friends and compatriots at Cooley—the administrators and faculty members. Their friendly faces are nearly as familiar to the graduating seniors now as they are to me and perhaps some day these grads will appreciate as much as I do now the important-contribution these teachers and advisers are making to the students and the school.

Student Council — Fall

Whet I D W than I exemple B Bane B. McRae, K Sniderman J. Arbaugh, R Christopher

This was a big year for our three councils. Never before have we had such fun or accomplished more. The Guide Council continued to regulate student traffic in the halls; the Student Council efficiently ran the book store and sponsored the "Pigskin Shuffle;" and the Sportsmanship Council, besides its usual duties, sold Friendship Bonds to bring an exchange student to Cooley

Ferne Robinson

After twenty-five years of teaching music and heading the Music Department, Ferne Robinson retired. Her fine sense of music and natural understanding of people showed in all her work. The remarkably perfect concerts put on under her direction have made Cooley's Music Department one of the finest in the nation. Though Mrs. Robinson is no longer with us at Cooley the marks of her great talent and effort remain

CURIOUS SAVAGE

Everyone in the casts of the "Curious Savage" and "Adam's Evening" will long remember the anticipation and hervousness at auditions, the hard work and long hours spent at rehearsals the horse play between scenes, the set taking shape, the sticky make up, and yes, even Mr. Hollingsworth eating peanut brittle and drinking coffee during practices. And, all of us can remember the two entertaining productions. As a matter of fact, the plays were two of the high points during the school year

My longest flight last year was down to Briggs Stadium in June to see our Cardinals come from behind with timely hits, unnerving base running, and finally winning runs.

The Public School City Baseball Championship was Ours!

Hopping through the mud this spring, I have visited batting practices, sometimes ducking the hard shots rapped off the delivery of hard throwing Coach Abe Eliowitz.

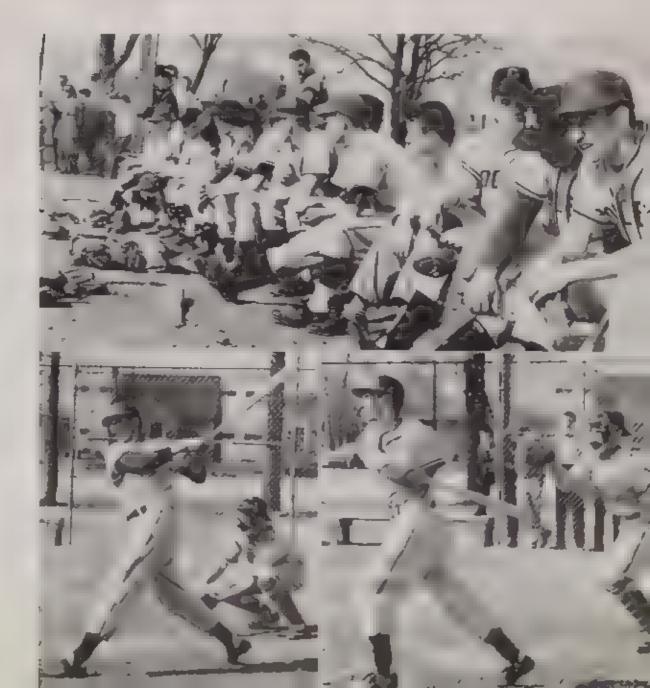

Good luck in '57, fellas.

FENKELL, corner of STRATHMOOR

There's satisfaction in meeting a challenge

Working at I dison, there's challenge in the very air you breathe. It's logical. This is a growing company in a growing industry. And growth always creates problems. This is also a pioneering company, constantly challenging the accepted ways of doing things.

Challenge, opportunity, progress . . . they're like steps. The steps that lead to a satisfactory career. And advancement within the company is the standard practice rather than the exception.

We have heard it said that Edison is a good place to work. True! One of the reasons that makes it so particularly for high school graduates entering the business world for the first time—is that Edison people are friendly, sympathetic and helpful.

If you reside in metropolitan Detroit, we invite you to visit our Employment Department, 2000 Second Avenue. Elsewhere, job application forms are available at any Edison customer office.

Here's why

GAS IS BEST

for 7 important home uses!

Gas is the modern, clean fuel that gives you luxury living at bargain prices! Gas is automatic, fast, dependable, silent—gives you unequalled comfort and convenience. You'll find that Gas is best for:

House heating: Gas heat is clean, automatic, economical, safe No worries about fuel shortages. No fuel bins or storage tanks

Cooking: Modern Gas ranges make cooking almost completely automatic with automatic top burner, automatic controls, smokeless broiling.

Woter heating: Automatic Gas water heaters give you hot water around the clock. Gas heats faster, replaces used hot water faster.

Clothes drying: Gas clothes dryers end weather worries, heavy lifting of wet clothes at low cost of only two cents an hour.

Incinerating: A Gas incinerator gets rid of both garbage and burnable trash indoors, saves you trips outside in bad weather

Refrigerating: A Servel Gas Refrigerator gives you silent operation, balanced cold, automatic supply of ice cubes, low operating cost.

Air conditioning Gas air conditioning is quiet, economical, efficient. One basic unit heats in winter, cools in summer.

Check the many advantages of Gas appliances and you'll see why Gas is best for comfort, convenience and economy!

You'll hear that remark many times about telephone girls. Most people recognize that girls who work for Michigan Bell are not only attractive, but also smart and useful citizens.

When Jean started her job, she had no telephone experience. But she was trained with other beginners by friendly, understanding supervisors. Today she's proud of her work, enjoys a fine salary, vacations with pay, regular wage increases, and many new friends.

Jean was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled midmorning and midafternoon "breaks" for relaxing in comfortable lounge rooms. And she found the company thoughtful and considerate in so many ways, such as sending garls home in taxis when they worked the late evening shift.

Telephone work offers many advantages! Why not get in touch with us now? Find out more about the interesting jobs from which you can choose after graduation—customer representative, telephone operator, accounting and clerical work.
